# SE | THE LAW OFFICES OF SAM EARLEY

## Need help with your Social Security Disability Insurance (SSDI) or Supplemental Security Income (SSI) cases?

At the Law Offices of Sam Earley, we will go out of our way to give you the right representation to help you win your case. See how we can be the right **Social Security Disability Lawyers** for you.

**Super Lawyers**  
RISING STARS

### We'll File Your Social Security Disability Claim for You

When you don't know where to begin, it's hard to take the first step. But we'll make it easy. Simply reach out to the Law Offices of Sam Earley. We'll follow a step-by-step process to help you get the Social Security Disability Benefits you deserve.

#### Step 1: Free Consultation

If you have a medical condition that's preventing you from working, reach out to the Law Offices of Sam Earley. Call **770-881-7171** or contact us online for a free consultation.

#### Step 2: We'll File Your Claim

After we qualify your case, we'll get your claim started. We can fill out all the forms for you. We'll ask you questions about:

- Work history • Medical history • Disability reports

#### Step 3: Establishing Care

A big part of your case depends on establishing a medical history. Our offices will promptly advise you of any consultative examinations set up by the Social Security Administration. We'll also coordinate with you to make sure you're being treated by your own doctors, or with charitable health clinics if these are available in your area.

#### Step 4: Preparing for Your Social Security Disability Hearing

We will personally prepare you for your hearing. We'll review the types of questions that judges generally ask. Social Security Disability Attorney Sam Earley will make sure you're prepared to answer even the toughest questions.

Our offices will thoroughly prepare your files and documentation, too. The better prepared we are, the better our chances of winning your case. We perform a brief on every single case to accurately summarize both the theory of the case and your medical condition.

#### Step 5: Disability Hearing

Your disability hearing will be held in front of an administrative law judge. Don't worry—we'll be there to represent you. During the pandemic, many disability hearings are being conducted by phone. We make sure your medical history, work history, and disability reports are well organized in a secure, cloud-based file online. This makes it easy to locate the exact piece of information we need to fight for your rights, and for the judge to decide your case.

#### Step 6: Getting Paid

If the judge decides in your favor, then you'll get paid directly by the Social Security Administration. You never need to worry about paying us—we won't touch your money. If we win your case, the SSA will pay the Law Offices of Sam Earley directly.

### Contact Our Georgia Social Security Disability Lawyers Today

Call **770-881-7171** or contact us online for a free consultation. Our highly competent team of legal professionals is here for you whenever you need us. We're ready to give your social security disability case the attention it deserves. Clients never pay retainers at our firm. We only get paid when you win.
