## NATHAN'S THREE EASY STEPS FOR WINTER PLANTING

1. Dig the planting hole 2-3x as wide as the rootball. Providing the rootball with as much width as possible will help it to establish faster.
2. Dig the planting hole 1x as deep as the rootball. Generally, plant roots only grow in about 8-18" below the soil. Planting "proud", or slightly above the soil, is also acceptable and sometimes necessary. Planting too deep, however, can be detrimental.
3. Soften the backfill soil as much as possible. Be sure to chop large clods so that they are no larger than 1" in diameter before backfilling. A soft soil has proven to be more beneficial than adding soil amendments in the planting hole.

# Hearing Loss

The underlying danger of not knowing how it can affect your overall health

Mild hearing loss doubles dementia risk. Moderate loss tripled risk, and people with a severe hearing impairment were five times more likely to develop dementia.

Brain scans show us that hearing loss may contribute to a faster rate of atrophy in the brain.

As you walk, your ears pick up subtle cues that help with balance. Hearing loss mutes these important signals.

Poor hearing loss is often indicative of poor overall health. In addition to the brain issues that untreated hearing loss can cause is often associated with depression, debilitating falls, and a lower overall quality of life.

## Possible Hearing Loss Side Effects

- DEPRESSION • DEMENTIA
- VERTIGO • LONELINESS
- IRRITABILITY • TINNITUS
- SOCIAL WITHDRAWAL
- LACK OF AWARENESS

Potential Sensorineural Causes

- ➔ HIGH FEVER ➔ NERVE DAMAGE

## NEED SOMEONE TO LISTEN....NEED SOMEONE TO CARE?

Clara & the foundation provides the ministry of empathetically  
listening & nonjudgmental loving care to women, to mentor, & to  
coach women in their personal life, marriage, & professional life.  
Clara's ministry rose from the mire of hunger, grief, homelessness,  
family addictions and loss. Her lonely journey began at age twelve,  
God's grace guided her in hardship across three Continents; the  
sufficiency of that grace delivered her to this ministry.
